I did look at it.

Diann, do you want to share the sharepoint?

I only heard back from Marietta on this email. At tomorrow's interagency meeting, I plan to share my comments on the FWS/EPA method comparison (#1 below). Please let me know if you have any concerns.

I set up a pre meeting for tomorrow.

Claire and Jonathan, have you looked at the spreadsheet catalogue of usage data sources?

Subject: FW: Pesticide Working Group - Notes and Updated Charge

I have a couple of follow up items after our Tuesday interagency meeting on usage.

1.

Deliberative Process / Ex. 5

2. In the meeting notes, Tracy Perry is not identified as a workgroup member, but as "others in attendance". Do we want to make Tracy an official member of the workgroup?
3. FWS does not have a GIS analyst on the team; however, they agreed to add someone. It is critical that this person is included in the workgroup ASAP. Marietta and Wynne, has FWS indicated when they will bring a GIS analyst on board?

4. We indicated that we would have EPA pre-meetings before the interagency meeting. I agreed to set that up. I will find 30 minutes on our calendars for this pre-meeting. Do you all have a need to meet before next Tuesday's interagency meeting?
